DIGITAL GROUP:

The next digital group meeting will be held on **Monday 3 November** at the **Midlands Golf Club at 7.30 pm**. This month's meeting will look at Adobe Lightroom, a relatively new program being used more and more by the professional industry to correct photographs for exposure, white balance, individual colour casts, fill light, vibrancy, and other features not covered by Photoshop.

Ken Smith would like to hear from members as to what they would like to learn, hear or see related to digital photography, so if there is something you have been grappling with or burning issues you are interested in ...now's the chance to find the answers!

CLUB SAFARI TO PORT FAIRY

The annual Safari was well attended with 23 members/partners gathering for the weekend at the Southcombe Park communal camping complex at Port Fairy. Up market fish and chips went down a treat on the Friday night along with a medicinal drink to ward off any possible ills. Saturday's BBQ was held in warm sunshine with a slight breeze to help digestion.

Trevor Parry, tour guide extraordinaire, did the magician's trick and produced new destinations to visit within the area. A visit to Tower Hill (after lunch Saturday) enabled some members to photograph a male emu with his brood, while others watched a fox slink away from the activity through the grass. Next stop was the picturesque town of Koroit which very few of us had ever visited before. Heading back to the camp we stopped off at Killarney. This is a secluded beach at the end of a short road trip from the highway. It faces the Southern Ocean but its beach is protected by reef rocks that leave the water lapping gently onto the shore.

Sunday morning entailed a drive to 'Pea Soup', a local beach west of Port Fairy followed by a short walk along the sand to a restaurant overlooking the ocean. Filled with coffee and cake, the group chose to forge a new path cross-country through almost impassable inland terrain back to the safety of the cars. This daring return trip was a **true Safari**. (See photo right)

All those who attended the event are eligible to enter the prestigious Safari Competition being held at the next meeting. So bring along that winning shot to show others what a great time was had by all and whet their appetites for next year's excursion to Apollo Bay.
