Greetings all; Here is the News:

Report on 4x4 Photo workshop Friday 6th of June by Neil Sinclair

Ken Smith spoke to 15 members of the 4x4 club on Friday night, the 6th of June with President Leo Fletcher and Neil Sinclair for support.

Ken's carefully prepared workshop covered an impressive range of "must knows" and engaged the interest of all those attending. Ken's material provoked a wide range of questions which kept all three YMCA members busy to the extent that the planned 1 hour session went for 2 hours.

Hopefully we may see some of the 4X4 members at our meetings over the coming months so please make them welcome.

We were also invited to join with them on June the 22nd for a trip to the Brisbane Ranges, details below.

Photos for the Aquatic Centre:

“Active” Photos for display at the Aquatic centre. These will be of Ballarat people being active in some pursuit in the community. ie running walking playing sport cycling sailing to name a few.

Don't have to be taken at the YMCA.

Mounts will be the same as the ones we used for Delacombe Community Centre.

Our photos for display need to be mounted like we do for our competitions on a mount that has the dimensions of 300mm x 400mm in order for it to fit within the frame.

You will not be able to use the firm cell foam backing on these as it will be too thick to fit within the depth of the frame.

In order to give all our photographers a chance for their work to be displayed it is envisaged that one photo per member will be displayed on a three month rotation.

Please bring along appropriately matted photos of active people to the next meeting so we can get this project underway

Photos for Delacombe Community Centre:

Twelve members photos have been received for display at the Delacombe Community Centre. Six have been selected for the first display and the remainder will be held until it's time for a change over. Thanks to those members who have submitted their prints for this club effort.

*** Mark is away - June EDI projected images competition entries to be forwarded to Trevor Parry.

*** Marilyn Bradford is in charge of the prints competition while Anne is away.
