- Next club meeting 9th June 2010 (please note that this may be extended to later in the year)

From the Committee

- Due to the Covid-19 pandemic, the following actions have been implemented at a club level.
 - **Club meetings will be suspended for 2 months.** At this stage this means the next meeting will take place on 9th June, but depending on ongoing government health advice and social distancing requirements this may be extended.
 - Whilst club meetings remain suspended so will club monthly competitions. Therefore there will be **no** competitions for the months of April and May.
 - **Club Safari/Camp 2020** - The likelihood of conducting the club safari weekend to Apollo Bay will be reviewed in June.
- VAPS Convention 2020 has been suspended until 2021, however the interclub comp will go ahead in a revised format that will be limited to EDI and AV entries only.
- If you're looking for something to do photographically don't forget the "Out of the Hat" challenge. E-mail photographygroupballarat@gmail.com and Dianne will select two topics for you.

Interclub Competition with Corio Bay Camera Club

On Saturday 14th March Trevor Parry and I attended the Corio Bay Camera Club for the presentation of the judging of the annual interclub competition between our two clubs. The judge was Tony Leong who is a member of the Melbourne Camera club. The judging was fair and informative with a lot of constructive advice provided. There were only the two categories judged these being open large print and open EDPI with the following results being obtained:

Whilst Corio Bay Camera club clearly won the night they didn't have it all their own way. Winner of the best EDPI entry for the night went to one of our own. Congratulations to Terry Jordan for his entry "Great Cormorant". Well done Terry! The judge was very impressed by the image stating that the pose of the bird reminded him of a Spanish dancer.
